

RE/PSHE

In RE, we will look to be reflective and curious within religious beliefs. In PSHE, we will look at stereotypes and families in the wider world.

Computing

In computing, we will learn about audio editing. Children will be able to make voice recordings and edit these before creating podcasts.

French

We will begin to give detail to our greetings by adding opinions to our vocabulary. We do this by expanding our French phonics.

Reading

In reading, we will be looking at a range of texts and focussing on fluency and comprehension skills.

Maths

This half term, children will be learning about multiplication and division. This is an essential key skill that children in Year 4 need due to the multiplication test in the summer term.

Year 4 Autumn 2 Curriculum Map

Writing

We will be looking at Tar Beach by Faith Ringgold where we will be writing our own playscripts and poetry. We will then look at The Iron Man by Ted Hughes where we will write letters, diary entries and short news bulletins.

Humanities (History/Geography)

In history, we will learn about Boudicca, a heroic warrior who fought against the Roman invasion. We will also consider the Roman legacy in Britain. In geography, we will learn about Bologna, an important city in Italy.

PE

Year 4 will learn how to play hockey during one of their PE lessons. With our Aston Villa coach, they will be learning gymnastics skills and ways to link floor movements to apparatus.

Art and Design Technology (DT)

In art we will be focussing on layered art, expressive lines and mix media within different artwork. In DT, we will be designing and making our own moving mechanisms using the skills that we have been learning: levers and linkages.

Science

In science, we will be learning about electricity. We will learn how to stay safe around electricity and basic symbols when drawing electrical circuits.

Music

Year 4 will be taught by Mr Holmes, our specialist music teacher. He will continue to teach the children how to play the fife before moving onto the flute. The children will also sing a variety of songs.
